

# Policing

## *A Journal of Policy and Practice*

A leading peer-reviewed policy and practice publication, *Policing* is aimed at connecting law enforcement leaders, police researchers, and policy makers, containing critical analysis and commentary on a wide range of topics from police reform to patrol operations.

**Interested in submitting to Policing?** We're looking for articles with a *strong research-practice focus*, containing *rigorous assessment of contemporary issues*, written in a *succinct style*. All articles are peer-reviewed to assure our Oxford Journals standards. If you'd like to submit an article, please contact us at [www.policing.oxfordjournals.org](http://www.policing.oxfordjournals.org).

### Special offer for ASC Divison of Policing members

# Policing

*A Journal of Policy and Practice*

To mark this year's American Society of Criminology conference, we've brought together an exclusive range of *Policing* papers on the chosen theme:

“The Politics of Crime & Justice”

Visit [www.oxfordjournals.org/our\\_journals/policing/asc\\_division\\_of\\_policing.html](http://www.oxfordjournals.org/our_journals/policing/asc_division_of_policing.html) to read our Special Conference Collection, including papers from key members and commentators from the ASC Division of Policing.

Papers from the Special Collection include:

*Davis Implementing Science in Police Agencies: The Embedded Research Model*

Anthony A. Braga and Edward F. Davis

*Who Should Prevent Crime at Places? The Advantages of Regulating Place Managers and Challenges to Police Services*

John E. Eck

*Increasing Collective Efficacy and Social Capital at Crime Hot Spots: New Crime Control Tools for Police*

David Weisburd, Michael Davis, and Charlotte Gill

*Towards an Index for Harm-Focused Policing*

Jerry H. Ratcliffe

*Beyond the Evidence: Organizational Learning from RCTs in Policing*

Laura Bedford and Lorraine Mazerolle
